

MAYBE BABY, MAYBE I'M FALLING IN LOVE

(sung in the classic style of Rudy Valle and the roaring twenties)

**Maybe baby, maybe I'll—kiss you,
Maybe baby, maybe I'll sub—miss you,
Maybe baby, maybe I'm falling in love,**

**Maybe baby, maybe I'll—hug you,
Maybe baby, maybe I'll—snug you,
Maybe baby, maybe I'm falling in love.**

**Because, whenever I—think of you,
I think of—the view,
Upon the prettiest places,
And then—closely we'll stand,
Joined—hand in hand,
Admiring each others' faces,
I suppose I'm game,
Just in Cupid's aim,
Could it be—could it be dear, I'm falling in love,
Right from the start,
Straight from my heart,
Maybe baby, maybe I'm falling in love.**

**Maybe baby, maybe I'll—tease you,
Maybe baby, maybe I'll—squeeze you,
Maybe baby, maybe I'm falling in love,**

**Maybe baby, maybe I'll—wine you,
Maybe baby, maybe I'll—dine you,
Maybe baby, maybe I'm falling in love.**

**Because, whenever I—think of you,
I think of—we two,
Happily embraced in romance,
And then—each day we'll sing,
Ring—a ding ding,
Swirling about in life's dance,
I guess now I'm caught,
In love's net pulled taut,
Could it be—could it be dear, I'm falling in love,
Right from the start,
Straight from my heart,
Maybe baby, maybe I'm falling in love.**

(Instrumental played next, and then repeat above lyrics)
